

**Model:
D38002**

CE & Energy Star Compliant

IP54 IK08

Features

- **Advanced optical design, balance light efficiency and uniformity**
- **Lumens Efficacy up to 85lm/w**
- **Life Span over 30,000 hrs**
- **Built-in LED Driver**
- **Wall mounted or Surface mounted**
- **Warranty: 5 years**

Specification

Model	D38002		
Light Source	SMD		
Power Consumption	12W	18W	25W
Dimensions	Φ200 x (H)48mm	Φ300 x (H) 48mm	
CCT	3000K/4000K/5000K		
Initial Luminous flux (Total)	85m/W		
Finishing	White		
Color Rendering index (CRI)	>80		
Power Factor	>0.9		
Input voltage	200-240Vac, 50-60Hz		
Material	Steel and Powder coating		
Light Beam Angle	120°		
IP Rated	IP54		

Benefits

- **Extra Long Life more than 50,000 hours**
- **Save up to 80% of energy Consumption & reduce maintenance costs**
- **Virtually no heat or UV output**
- **No Mercury & Resistant to Shock and vibration**
