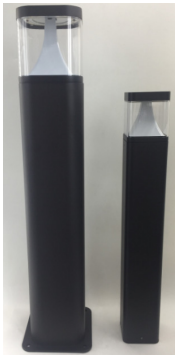
DAlighting

Code:DA-E904014

LED Bollard

- **CE & RoHS Compliant**



Features

- **Durable Aluminium Extruded Body and Polycarbonate Lens providing good levels of Vandal resistance**
- **Two Options for PC Lens: Clear and Grid**
- **Black Coated Louvered Controller providing Symmetrical Distributions and Minimal Glare**
- **High Power Factor >0.9**
- **Wide Voltage 10-240VAC**
- **IP54**
- **Extra Long Lifespan**

Specification

Light Source	LED
Color Temperature (CCT)	3000K-5000K
Initial Luminous flux (Total)	830 Lumen -1300lumen
Color Rendering index (CRI)	>70
Power Consumption	15W 20W 25W 30W
Power Factor	>0.9
Input voltage	100~240vAC
Height:	700MM, 800MM, 1000MM, 1200MM
