

**Model:
DHL-994575**
Seamless Installation

UGR<19
CE & RCM
Energy Star Compliant

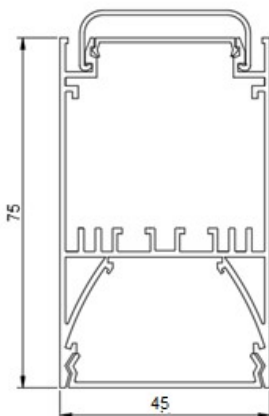

Features

- Aluminum Structure
- Extra Soft Light
- Extra High performance SMD with controlled Color consistency and Uniformity
- Innovative High Power Factor (>0.9)
- High quality aluminum heat sink optimizing thermal path.
- Most suitable for Age Caring Facilities Hospital Bed Heads, Schools & University
- Warranty 5 years
- Fire Proof PC Cover
- Flexible installation

Specification

| | |
|-------------------------------|---|
| Light Source | SMD LED |
| Initial Luminous flux (Total) | >2450 lm/M |
| Color Temperature (CCT) | 4000K |
| Dimension (mm) | 1200(L) x 45(W) x 75(H) |
| Color Rendering index (CRI) | >90 |
| Power Consumption | 30w/M |
| Lens Finish | Fire-Proof, High Efficiency Frosted Cover |
| IP Rated | IP20 |
| Finish | Silver /White / Black |
| Light Beam Angle | 120° |
| Dimming Option | DALI option Available |
| Installation | Surface Mounted, Suspended, Recessed |

Benefits

- Extra Long Life More than 50,000 hours
- Save up to 80% of energy Consumption & reduce maintenance costs
- Virtually no heat or UV output
- No Mercury & Resistant to Shock and vibration

Optical Performance
