

**Model:  
DHL-9934100**

**CE & Energy Star Compliant**

**IP20**

## Features

- Aluminum Structure Anodized
- Extra High performance SMD LEDs with controlled Color consistency and Uniformity
- High-efficiency with accurate light dissipation and modularized design
- High quality aluminum heat sink providing optimized thermal path.
- Anti-Corrosion, Anti-UV
- System light Efficiency 85%
- Fire Proof PC Cover
- Warranty: 5 years

## Specification

|                               |                       |
|-------------------------------|-----------------------|
| Light Source                  | SAMSUNG 2835          |
| Initial Luminous flux (Total) | 3300lm                |
| Color Temperature (CCT)       | 3000K/4000K/6000K     |
| Dimension (mm)                | 1133mm x 34mm x 100mm |
| Color Rendering index (CRI)   | >80                   |
| Power Consumption             | 30W                   |
| Power Factor                  | >0.9                  |
| Material                      | Aluminum alloy 6063   |
| AC Input                      | 240vAC                |
| Finish                        | Silver /White / Black |
| Light Beam Angle              | 15°                   |
| Dimming Option                | DALI option Available |

## Benefits

- Extra Long Life More than 50,000 hours
- Save up to 80% of energy Consumption & reduce maintenance costs
- Virtually no heat or UV output
- No Mercury & Resistant to Shock and vibration

**Optical Performance**
